#### EVENT DETAILS

##### HAMLET THE SHOW

Learning of his father's death, Prince Hamlet comes home to find his uncle married to his mother and installed on the Danish throne. At night, the ghost of the old king demands that Hamlet avenge his 'foul and most unnatural murder'.

Encompassing political intrigue and sexual obsession, philosophical reflection and violent action, Hamlet is Shakespeare's 'poem unlimited', a colossus in the story of the English language and the fullest expression of his genius.

said:

*'Globe to Globe Hamlet was created with the aim of performing Hamlet to as many people as possible, in as diverse a range of places as possible. The central principle of the tour is that Shakespeare can entertain and speak to anyone, no matter where they are on earth; and that no country or people are not better off for the lively presence of Hamlet.'*
